Community Health Fair

Please remind your family and friends that the 2010 Community Health Fair will be held at the hospital on Saturday, April 24, from 7:30 a.m. until 12:00 noon. The screenings will be held in the auditorium, and the informational displays and activities will be on the second floor around the cafeteria and in the Main Lobby. In addition to the many WMHS departments and services that will be represented, staff from the Allegany County Health Department and other community partners will be participating. Additional information is available on our website at www.wmhs.com.

It’s OT Month

April is National Occupational Therapy Month and our occupational therapists are an integral part of the healthcare team. They work with people in all the occupations of daily living--all the things that a person does in the course of a 24-hour day at home, at work, at school or at play. They work with patients of all ages--even the infants in our Special Care Nursery. Thanks to each one of them!

GNA’s Needed

To help respond to the need for geriatric nursing assistants, we are offering a special program to pay the educational cost for someone who wants to become a GNA and work at the Frostburg Nursing and Rehabilitation Center. If you know someone who might be interested, please have them contact Kim Calcutta in Human Resources at 8161. The deadline for applications is May 1.

Holiday Dance

We know it’s only spring, but the WMHS Employees Activities Committee is already looking ahead to the holidays. The committee is interested in seeing if employees would like to have a dance this holiday season. Please complete the form below and send it to Laura Perske in Radiation Oncology. Thanks for your participation in the survey!
