- In the Username field, type in a username unique to you. In the Password field, type in a password you'll remember. In the Confirm Password field, retype the password you typed in the previous field. In the E-mail field, type in an email address you can easily access. In the Type the Letters field, type in the letters below the Type the Letters Field. In this example, the letters are N3GPT. Be sure to save this information somewhere safe so you will be able to remember it later when you want to sign back into the Hospital Services Patient Portal. Once you've filled all the fields in, click Next.

6. Click on the security question you'd like to use by hovering over the question and clicking your mouse.

The screenshot shows the 'Sign Up for Western Maryland Health System Patient Portal' interface at 'Step 3 of 6'. A dropdown menu is open, listing several security questions. The question 'What is your oldest child's nickname?' is highlighted in blue. Below the dropdown, there are two security question fields, each with a 'Your Answer:' label and a text input box. At the bottom, there are 'Back', 'Next', and 'Cancel' buttons. On the right side, a progress bar shows 'Introduction' and 'Login Information' as completed, and 'Security Questions' as the current step. Below the progress bar are links for 'Help Video' and 'Text-based Help'. A red '[Required]' icon and text are at the bottom left: '[Required] Select a security question from the list. This will be used in case you forget your username or password.'

7. The question you clicked on will now be in the Security Question field. Click into the Your Answer field below the Security Question field and type in your answer.

This screenshot shows the same 'Sign Up for Western Maryland Health System Patient Portal' interface at 'Step 3 of 6'. The dropdown menu is closed, and the first security question field now displays 'What is your oldest child's nickname?'. The 'Your Answer:' field below it contains the text 'Little One'. The second security question field is still empty. The 'Back', 'Next', and 'Cancel' buttons are at the bottom. The progress bar on the right shows 'Introduction' and 'Login Information' as completed, and 'Security Questions' as the current step. Links for 'Help Video' and 'Text-based Help' are also present.

8. Repeat steps 5, 6 and 7 for Security Question 2. When you have filled Security Question and Your Answer out, click the Next button.
