

UPMC Western Maryland Financial Assistance Policy

UPMC Western Maryland wants to make sure every patient has access to medically necessary care, even if they are not able to pay. If you are unable to pay, you may qualify for free or reduced cost of medically necessary care, even if you do have some insurance coverage. To learn more or find out if you qualify, you can ask to meet with a Financial Counselor prior to or after you receive your care. If you have questions, you can call one of our Financial Counselors at 240-964-8435.
